

**First Steps
Academy**

Dear Parents

May 13th, 2013

We write to you today with the hopes you are all excited as we are to the nearing date of our facility opening. As of today we are running on time to schedule. Framing is completed, the sprinklers are in, and the dry wall is almost completed along with much more in the final stages.

As we see the end in sight there are a few more tasks that need to be accomplished which include the flooring and bath and kitchen finishing's etc. and with some of these tasks we are still in wait for the products to be transported in order for these said tasks to be completed. Having said that, these items cannot be delivered until they are ready to be installed so we still have the obstacle of possible delivery delays due to border crossings, delivery truck breakdowns etc.

A date of May 31st has been set for the "Private-Parent Only" Open House and all enrolled parents will be receiving an invitation shortly with regards to all the details.

We look forward to meeting you all and to show you the outcome of this along awaited project. We hope you all are as pleased with results as we are.

Thank you

Tee Fargo-Condran
